THE WORLD OF DREAMS

Write about a magical dream.

Close your eyes and imagine you are dreaming. In that dream, anything is possible — you can fly, talk to animals, or visit amazing places. What happens in your magical dream?

Before you start, think and plan your story. You can use these questions as a guide:

Where are you?

What time of day is it?

How do you feel, and why?

What do you see around you?

What is that place or dream like?

What happens there?

What can you do in that dream?

Remember that every story has a beginning, middle, conflict, and ending.

Use your imagination to create a story full of details and emotions.
